Product sampled at client's facility using Novacann Labs' latest approved sampling method (NLTP5H). All compounds reported herein are the result of analysis by Novacann Labs using validated testing methods & a quality system as required by law. Values reported relate to the sample analyzed. No claims are made as to the efficacy, safety or other risks associated with any detected or non-detected levels of any compounds reported herein. This Certificate of Analysis is for informational purposes only. The samples were analysed following the latest version of the laboratory's SOP used for each test.
